

Dear Bodacious Bazaar Nation,

I have had a gut wrenching past couple of days and feel that I needed to let you know as soon as a decision had been made with the November show and with much sadness we will need to cancel. Our plans were that we would hold out to the end of September with the hope that the Governor would relax the restrictions enough to go on with the show if we were able to follow the CDC guidelines. However, we have heard from the Convention Center that they do not intend to reopen until 2021.

We were pushing so hard to have this show for so many reasons. We have 250 applications all just hoping to set up shop, and many more calling every day, all desperate to get back out and work.

I ask for your understanding and support NONE of this has come easy, and I know like me you have been really hurt by this pandemic. Like many businesses we have worked so very hard to make this show a success and to keep it going, and I refuse to allow COVID to take it down now.

We will be hosting a virtual show for this fall on our Facebook and encourage you to go on it and buy online from the vendors that post. We will send you out a Constant Contact when this will start. We are already with a full house for our Spring Show 2021.

Stay healthy and strong. Please know that our prayers have been and still are with you. We ask for your prayers as well.

We will SEE you in Spring 2021,
Sandra & Larry
and ALL our BoBaz vendor family
